Why pick Myers Home Buyers?

Get Money, Fast

Myers Buyers can buy your home in as little as 2 days after we sign the contract! We will also give you a FREE estimated offer over the phone.

Tailored Service

Some people may need to stay in the home for a week or a month after closing. When selling to Myers, these options are always open.

Accredited By the BBB

Myers is accredited by the BBB and many other organizations. Making this transition easy for you is our #1 goal and priority. We will always make sure you are pleased with your transaction.

What Our Customers Are Saying

I am so thankful to this company. They were able to give us a really good offer, and they purchased my home today before it went to foreclosure next week. They are also letting me stay in my home for the next month at no cost. It was by far the easiest transaction I've ever done. Very much appreciated.
